44 Tutors

22 Mentors

10 Dancers

5 Interns

2 AmeriCorps VISTAs

7,188 volunteer hours served over **5,000** students for whole school needs and behind the scenes support resources. Limited in-person volunteering was available due to COVID-19. Some tutoring was offered at the CIS office after school and on Saturdays.

School Champions groups were formed for each of the eight schools, meeting on zoom to allow safe community collaboration. These volunteers were members of the CIS Board of Directors, CIS Associate Board of Leadership, and community partners. CIS Site Coordinators were able to share state of their schools, needs and ways to support with the school champions. This concept was an asset to schools for needed resources.

8th Annual Bill Horney Memorial Community Picnic

Postponed due to Governor's Orders Aug. 2020

\$30,125

Raised

The annual back to school picnic held at Brantley Circle was shifted due to an outdoor parking lot event at the new CIS office planned for students. Governors orders the week of the event prevented CIS from having the event and gathering as planned. School supply bags were assembled and then given out at each school instead to keep students safe for a kick off to a new school year. Special thanks to Christ United Methodist Church and High Point Central Senior, Andrew Eskew for leading the efforts for school supply collections for eight CIS schools.
