Communities in Schools of High Point is committed to providing each of our students, families, faculty and staff the tools to be successful.

CISHP Site Coordinators provide assistance and resources to improve attendance, behavior and parent involvement, and are dedicated to building career and professional development opportunities.

All of these resources allow our students to stay in school and achieve in life.

*Title 1 schools have a high percentage of their student population designated as economically disadvantaged. According to www.gcsnc.com/page/74217, at least 52.61% of GCS Title 1 families in these schools are identified as low income.
