

Tracey Smith is a Doctor of Chiropractic. She has been in practice here in High Point for 12 years. She has been married to Jordan, a clinical pharmacist at High Point Hospital, for 17 years. They have 3 children, ages 10, 8 and 6, all of whom they homeschool. Tracey loves to read, travel, and spend time with her family.

Tracey grew up in the Triad, a graduate of Ragsdale High School, and remains involved in the community. She is passionate about education, and youth; volunteering in her church's children's department, and heavily focusing her chiropractic practice on pregnancy, pediatrics, and families. Her desire is to see children grow up to be physically, mentally, and spiritually healthy, so that they have every opportunity to be the bright future that our world needs.
