Communities In Schools of High Point School Champions 22-23

Communities In Schools of High Point needs **committed community partners** to help us support our school staff, students and site coordinators in the most effective way.

As we are coming out of the pandemic this school year, the needs of our students are greater than ever. School supplies, hygiene items, new and gently used clothing and food pantry essentials are in desperate need.

Several of our families are feeling the pinch of inflation in their housing, groceries and transportation. In addition to teaching students the curriculum, they are also working closely with social workers and our site coordinators to manage these growing needs.

How can YOU help?

- Tutor and mentor of students at breakfast or lunch
- Organize supply drives
- Sponsor students to go on field trips
- Provide a meal on a teacher workday
- Make a financial gift to support our school programs
- Make a gift to support our emergency assistance fund
- Provide special snacks for a school
- Sponsor a speaker to come for an assembly
- Host a lunch and learn for your company at a school site

What is YOUR benefit?

- Recognition from CISHP on our website and social media
- Invitations to CISHP special School Champion events

High Point

Communities In Schools of High Point School Champions 22-23

Below are some financial examples of school champion giving and what the needs look like in our schools. Needs can vary drastically from elementary to high school.

Reach out to Jennifer Reavis (JenniferReavis@CISofHighPoint.org) or Heather Adams (HeatherAdams@CISofHighPoint.org) if you would like to talk in depth about volunteering or a financial gift.

Please consider making a gift early in the fiscal year and completing pledge payments by June 30, 2023.

- \$1,000 college tour fund
- \$1,500 sponsor a classroom (school, hygiene, clothing and food supplies and teacher appreciation)

\$2,000 emergency assistance for one quarter

\$2,500 school site staff and site coordinators professional development

\$3,500 sponsor a middle or high school mentoring program

\$5,000 bring a community partner into a school site for a 1 week intensive (like Poetry Project)

\$10,000 scholarships for graduating seniors
